

# IN CYBER FORUM

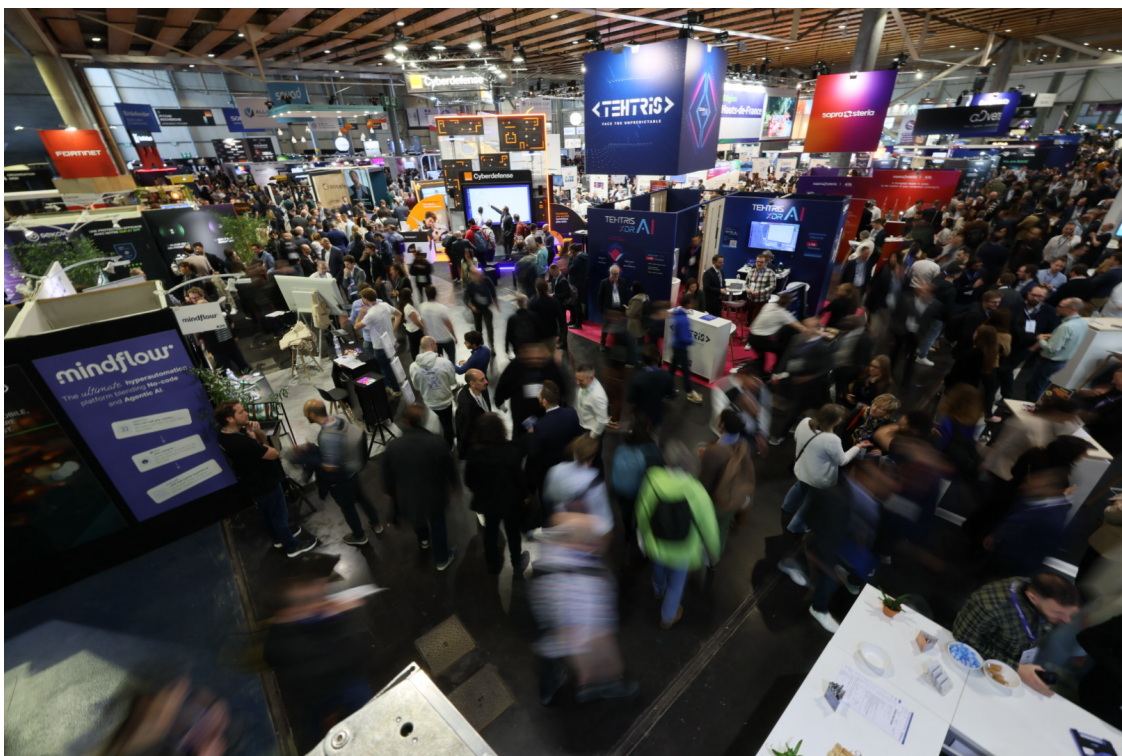

APRIL 1-3, 2025  
LILLE, FRANCE

On 1-2-3 April the InCyber Forum Europe has taken place in Lille, France the **2025 edition of the INCYBER Forum** (<https://europe.forum-incyber.com/en/home-en/>)

**The 2025 edition of the INCYBER Forum was a true success, powered by incredible collective momentum!**

18.200 visitors, 580 top-level speakers, 780 public and private partner organization, 100 countries represented

Once again, this year, the Forum served as a premier platform for dialogue, bringing together top experts and decision-makers to address the key challenges of cybersecurity.

## High profile guests

- **Gérard ARAUD** Former French Ambassador to the U.S.
- **Catherine DE BOLLE** Director of Europol
- **François-Noël BUFFET** Minister attached to the Minister of the Interior
- **Clara CHAPPAZ** Minister for AI and Digital Affairs
- **Jonathan COHEN** Former U.S. Deputy Ambassador to the UN
- **Marie-Laure DENIS** President of the CNIL
- **Stan DUIJF** Head of Operations – National Investigations and Special Ops, Dutch National Police
- **Veronica GAFFEY** Director-General (DIGIT), European Commission
- **Carsten MEYWIRTH** Head of the Cyber Division, German Federal Criminal Police
- **Patrick POUYANNÉ** CEO of TotalEnergies
- **Max SCHREMS** Lawyer and Founder of noyb.eu
- **Vincent STRUBEL** Director General de l'ANSSI
- **Joe SULLIVAN** CEO of Joe Sullivan LLC, former CSO at Facebook, Uber, and Cloudflare
- **David VAN WEEL** Minister of Justice and Security, Netherlands

The depth and diversity of the speakers reflect what cybersecurity needs to be today: open, cross-cutting, both strategic and operational. Throughout the Forum, discussions clearly pointed to the need to accelerate the adoption of the Zero Trust model and regain control over our digital dependencies—a central challenge that will be at the heart of our next European edition (March 31 – April 2, 2026), themed: "Cyber is the New Deal."
